

Noxious Weed Free Forage and Mulch Program

This certification program assures forage and mulch is free of noxious weed seed of 57 noxious or undesirable plants. The program offered complies with the Weed Free Forage Standards developed by the North American Invasive Species Management Association (NAISMA).

For more information about this program visit the ICIA website at www.iowaCrop.org or contact the ICIA office. The following producers have applied for and passed field inspection in the 2019 season.
